

Michael A. Forman

Future-Ready Students: Preparing for Jobs, Success, and Life After Graduation

*Michael has been working with High School and College graduates for nearly a decade. He has delivered many presentations. He is the author of *Networking Unleashed* and is passionate about helping young adults prepare for a successful and financially rewarding career.*

Thank you for taking the time to speak with our students today. Your expertise and insights provided them with invaluable strategies to improve their skills. We truly appreciate the knowledge and real-world experience you shared, and we know it will have a lasting impact on their growth and success.

Learning Outcomes of the Future-Ready Students: Preparing for Jobs, Success, and Life After Graduation

- ❖ *Your words can open doors—or slam them shut. Choose wisely.*
- ❖ *Listening isn't just waiting for your turn to talk. Pay attention—it pays off.*
- ❖ *Confidence is key, but arrogance gets the door locked. Find the balance.*
- ❖ *Think like an employer: Would you hire you? If not, adjust accordingly.*
- ❖ *The internet never forgets. Post like your future boss is watching—because they probably are.*
- ❖ *Silence is golden. Sometimes, the best response is the one you don't give.*
